

NOVEMBER 2021

## *Happy Thanksgiving*

I know if I say it has been a very difficult year, you will understand. Let's see ... COVID, to mask or not to mask? School, to go or not to go? Zoom meetings are becoming popular. Hey, I can go to church, to school, and to Bible studies online. Shopping for groceries? That is easy — you shop online, go to the store and pop the trunk, and then wave goodbye. “How has this changed missions?” you ask.

We all have learned to adapt to the new way of life. The work of the Lord continues, and there are places in the world experiencing revivals, harvest, and growth. I know it is not the same everywhere. Circumstances are different in other parts of the world. We are very much involved in training seminars via Zoom, mentoring, and leadership development. We also have had four short-term mission groups in Guatemala this year.

This month we want to express our heartfelt gratitude to you for your friendship, prayers, and financial support. We are very grateful to the Lord for you as you make possible what we do for the kingdom.

We are also grateful for Edwin's 102-year-old father. He gave his life to the Lord in full-time ministry. Pray that God will keep him in good health to the end.

Serving our God with JOY,

*Edwin & Evie Martinez*
